

2025-2026 ANJEC Grant Open Space Stewardship Project Community Work Party

The Stanhope Environmental Commission invites the community to join us on this project, where we will be:

- removing invasive plant species & planting native species in order to create a more biodiverse wildlife habitat
- building trails to establish fishing access to Furnace Pond.

Water & snacks will be provided. Please bring your own gloves.

When: Sunday, Oct. 18th. 9 AM - noon

Sunday, Oct. 25th. 9 AM- noon

Come for a part of the time, or the entire time or come to the public plant ID walk at 11 AM.

Where: meet on the bridge behind the Stanhope Post Office

Special Gratitude to: The Association of New Jersey Environmental Commissions (ANJEC) & Veolia for awarding us a \$1500.00 grant/each towards the completion of this project.
